The Council has considered your application and decided to grant Listed Building Consent subject to the following condition(s):

Conditions And Reasons:

- 1 The works hereby permitted shall be begun not later than the end of three years from the date of this consent.

Reason: In order to comply with the provisions of Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

- 2 The development hereby permitted shall be carried out in accordance with the

following approved plans:

Location plan, block plan, 0B EXBO (basement exist plan), 0G EXBO (Gf exist), 01 EXBO (1f exist plan), 02 EXBO (2f exist plan), 03 EXBO (3f exist plan), 04 EXBO (4f exist plan), 05 EXBO (5f exist), 06 EXBO (6f exist plan), 07 EXBO (7f exist), 08 EXBO (8f exist plan), 0GGA E (GF propo plan), 0BGA G (basement propo plan), 01GA F (1f propo plan), 02GA H (2f propo plan), 03GA F (3f propo plan), 04GA F (4f propo plan), 05GA F (5f propo plan), 06GA F (6f propo plan), 07GA G (7f propo plan), 08GA F (8f propo plan), design and heritage statement

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

- 3 All new work and work of making good shall be carried out to match the existing adjacent work as closely as possible in materials and detailed execution.

Reason: In order to safeguard the special architectural and historic interest of the building in accordance with the requirements of policy D2 of the Camden Local Plan 2017.

Informative(s):

- 1 The applicant proposes internal works to a 1990s office building, which stands behind the retained façade of a church of 1911. As a curtilage structure, the office building is listed, but, in reality, it is entirely modern fabric (with the exception of a chapel building to the rear, which has a concrete floor) so the works are not harmful. As represented, the works will not be visible from outside the building.

Works proposed to the chapel at the rear of the site affect only modern fabric.

The proposed works will not harm the special interest of the grade-II-listed building.

The application has been advertised in the press and by means of a site notice, whereby there were no consultation responses. The site's planning history has been taken into account in making this decision.

Special attention has been paid to the desirability of preserving the special interest of the listed building, under s.16 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013

As such, the proposal is in general accordance with policy D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2016 and the NPPF.
