We lives at [REDACTED]</p> <p>[REDACTED] Any work or use of terraces any we work would strongly affect our privacy , peace and quality of living.</p> <p>Please note that since works began on this renovation of 125 Kingway to wework have repeatedly broken all Camden Council regs on working hours: including working in the early hours of the morning and through the night, working every Sunday and before 8am in the morning.</p>
2018/3590/P	Evelyn Humphreys	08/10/2018 10:01:09	COMMHMA IL	<p>Due to the close proximity to my address,I strongly object to this Planning application for external works on terraces providing access to 1st floor flat roof,+works to 1st & 4th floor terraces facilitating their use.</p> <p>I live directly behind Aviation House on 4th floor level & would consequently be affected as follows:</p> <ul style="list-style-type: none"> - suffer excess pollution & noise during works - lose privacy in my kitchen / bedroom / living room - be disturbed by activity & noise on the proposed terraces (if allowed). <p>Unfortunately,I have had cause for complaint already on several occasions due to the noisy disturbance of works in progress on this site .</p>
2018/3590/P	Kevin Logan	08/10/2018 09:13:17	OBJ	<p>Dear Camden Council,</p> <p>I strongly object to this planning permission for Aviation house, particularly to the work on terraces, and any usage of terraces. I live in Thusitan Dwellings and the terraces in question backs onto my bedroom windows. Any work or use of terraces would strongly affect my privacy, peace and quality of living.</p> <p>The track record of this development is very poor they have broken all Camden Council regs on working hours: including working in the early hours of the morning and through the night, working every Sunday and before 8am in the morning. There is no reason to believe that this would not be the case with this particular aspect of their works.</p> <p>Regards, Kevin Logan</p>
