2018/3845/P	Kalpen Patel	06/10/2018 19:47:04	OBJECTION	I oppose to this application as it will block the flow of rain water from my rear roof and also it will block the air vent which goes onto the rear roof from my toilet. Also we have not received any notification of the planning application, planning forms nor third party wall agreement form from LB Camden or THE APPLICANT. I need further clarification and info onto how the 2 issues will be dealt by the Applicant before any permission is granted. Thanking you.
