2018/4532/T	Elizabeth Bailey	04/10/2018 11:11:31	OBJECTION	I strongly object to removal of this yew tree as I can see it clearly from my house in [REDACTED] and it is one of the historic yew trees in this conservation area and is perfectly healthy. It also provides a screen to my view from the light pollution that will be increased once No 1 Boscastle Road has increased the windows and light due to their development plans. This tree is more important to the houses in Grove Terrace as they overlook it than those of No 3 Boscastle Rd and No 10 Dartmouth Park Road who may not be as affected by the light pollution as Grove Terrace which overlooks the rear of this house. No. 10 Dartmouth Park road have installed a very large picture window at ground floor level with very unsightly consequences to the residents of Grove Terrace whose homes are listed with no allowance to add huge windows causing light pollution to this conservation area. Please do not allow this tree to be removed. You can visit my house to view this tree from my perspective and the impact of it's loss to Grove Terrace.

2018/4532/T	R F BAILEY	07/10/2018 17:00:56	JUST	I CAN NOT CONCEIVE OF ANY LEGITIMATE REASON FOR FELLING A HEALTHY TREE THAT DEMONSTRABLY DOES NOT HAVE ANY MATERIAL IMPACT ON THE APPLICANTS DWELLING. IT ALSO SERVES AS A MOST USEFUL BREAK FOR THE LIGHT NOW BEING PRODUCED FROM THAT AREA TOWARD GROVE TERRACE, WHERE THE IMPACT OF ANY REMOVAL WOULD BE THE MOST SIGNIFICANT. NONE OF THE PRIOR OCCUPANTS HAVE HAD ANY PROBLEM WITH THE TREE, WHAT MAKES THE CURRENT OWNER BELIEVE IT'S REMOVAL IS ACCEPTABLE.
