Hi Elaine,

Yes good point.

For clarity the doors to the gym will only open at 06:30.

No one will be in the building before then.

Thanks,

Dom

Dear Dominic

Attached is the final decision notice for 2018/3055/P.

On the other application for the variation to the hours of opening condition (2018/3237/P) can you confirm if you are seeking the gym to open at 06:30 for staff etc to start work or would customers be starting classes at 06:30.

[REDACTED]

Can you please advise.
