- Site Specific Supplementary Information
- General Background Information for Telecommunications Development
- ICNIRP declaration and clarification statement

Please note that the replacement antennas indicated are permitted development, and do not require the submission of a 'Prior Approval' application under A.3 of Part 16.

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (November 2016)

The enclosed application is identified as the most suitable option that balances operational need with local planning policies and national planning policy guidance.

Furthermore we would like to assist the Local Planning Authority and would like to offer to arrange a presentation or meeting with your officers and members to discuss the issues, if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any reasonable additional information in relation to this application.

You are reminded that the time period specified for a decision on this application is defined in Paragraph A.3.(8) of Part 16 of the Town and Country Planning (General Permitted Development) (England) (Amendment) (No.2) Order 2016 and nothing in this letter permits, allows or agrees to an extension to that time period.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
