The tree is situated in the communal garden. Tenant/leaseholder has extended fence and put down decking without permission from the landlord. Clarion housing need to be informed of any work, this is a social housing estate. Any tree work is dealt with by their gardener's. This is a mature tree with nesting wood pigeons and a haven for other wildlife. Unfortunately, the tenant/leaseholder has damaged the tree with a chain saw. Also tore down other trees and shrubs. Which they had no right to do. As this is a conservation area the loss of any tree is concerning.
