The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed mansard and rear extensions would be excessively large, appearing as an over-dominant and incongruous addition to the host building and wider terrace, causing harm to the character and appearance of the host building and streetscene, contrary to policy D1 of the Camden Local Plan 2017 and Policy 2 of the Fortune Green and West Hampstead Neighbourhood Plan.
- 2 The proposed development, by reason of the insufficient payment in lieu of affordable housing, would fail to maximise the contribution of the site to the supply of affordable housing in the borough, contrary to policy H4 of the Camden Local Plan and policy 1 of the Fortune Green and West Hampstead Neighbourhood Plan.
- 3 The proposed development, in the absence of a legal agreement to secure a car-free development, would be likely to contribute unacceptably to parking stress and congestion in the surrounding area, contrary to policies T1 and T2 of the Camden Local Plan.
- 4 The proposed development, in the absence of a legal agreement to secure an Energy Efficiency and Renewable Energy Plan, would fail to be sustainable in its use of resources, contrary to policies CC1 and CC2 of the Camden Local Plan.
- 5 The proposed development, in the absence of a legal agreement securing sustainability design stage and post-construction sustainability reviews to achieve 'excellent' in a BREEAM Assessment would fail to be sustainable in its use of resources, contrary to policies CC1 (Climate change mitigation), CC2 (Adapting to climate change), CC3 (Water and flooding), C1 (Health and wellbeing) and DM1 (Delivery and monitoring of the London Borough of Camden Local Plan 2017).

Informative(s):

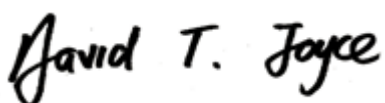

- 1 You are advised that reasons for refusal 3, 4 and 5 could be overcome by entering into a s106 agreement.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
