Dear David

**Agar Grove Regeneration / Ref: 2013/8088/P**  
**Planning Condition 40: Landscape Management Plan**

In response to LB Camden's comments on the Agar Grove Landscape Management Plan, pursuant to discharge of Planning Condition 40 please refer to the supporting statement below:

With reference to London Borough of Camden's CPG – Public Open Space (March 2018), we note the specific guidance relevant to the Landscape Management Plan and include responses below. These were not listed in the original LM Plan document as it was submitted prior to the CPG publication.

The following items are clarified in Section 4.0 Executive Summary of the Landscape Management Plan. Please refer to the attached extract from the report.

- Open Space Management – General
- Access
- Management Procedures (including Anti-social behaviour, Littering, waste & dog fouling)
- Community Involvement
- Communal growing boxes

The content of the Landscape Management plan will be reviewed on a regular basis. Various departments will review relevant enquiries. Queries from residents can be directed to the council where their enquiry will be dealt with by the appropriate department.

We trust the above and enclosed extract from the Landscape Management Plan document provide a full response to the comments returned.

Yours Faithfully

Claire Hobart
