London  
N1C 4AG

Dear Sirs

**10-11 Kings Mews, London WC1N 2HZ**  
**Planning Approval 2017/4543/P; Discharge of Condition 8**

We write to provide the relevant information regarding the discharge of Planning Condition 8:

*"8. Prior to commencement of the development, details shall be submitted to and approved in writing by the Council, of an enhanced sound insulation value  $D_{nT,w}$  and  $L'_{nT,w}$  of at least 5dB above the Building Regulations value, for the floor/ceiling/wall structures separating different types of rooms/ uses in adjoining dwellings, namely [eg. living room and kitchen above bedroom of separate dwelling]. Approved details shall be implemented prior to occupation of the development and thereafter be permanently retained."*

We enclose the following documents to discharge the above conditions:

1. Structural Separating Wall - Timber - PCT Solution

The enclosure identifies that the Building Regulations value is 45db and the proposed system achieves 50dB.

We therefore request that Planning Condition 8 be discharged.

Yours faithfully

Shital Thakkar  
Development Director  
James Taylor Developments
