VIA PLANNING PORTAL

18 October 2018

Dear Sirs,

RE: Maryon House – Condition 12 (Tree Protection)

Permission was granted under Ref: 2016/3545/P for:

Construction of a 4-storey residential building with basement to provide 11 residential units (3 x 1 bed, 6 x 2 beds and 2 x 3 beds), associated landscaping and refuse store to the front of the site following demolition of existing four storey residential building.

Condition 12

Condition 12 of the consent requires details demonstrating how off-site trees will be retained and protected during construction work. Details of tree protection have been submitted through planning portal. It confirms no arboricultural works are necessary to implement the scheme.

We trust this information is sufficient to approve details required by Condition 12. Do not hesitate to get in touch should you have any queries.

Yours sincerely,
