Subject: Covent Garden Community Association (CGCA) request for condition on 2018/3666/P (Holborn Tower, 137 High Holborn, London WC1V 6PL)

Dear Obote,

We can't get our comments to go through on the web interface (see error message below, which has appeared repeatedly).

Our comments are:

Covent Garden Community Association (CGCA) does not object to this application but urges the local planning authority to ask the applicant to take this opportunity to enclose the current unattractive roofscape with green planting.

Thanks.
