Dear Mr Tickle

Town and Country Planning Act 1990 (as Amended)
12-16 Laystall Street, London EC1

In relation to the above site, you may remember that the Council granted planning permission in June of last year for: change of use, works of conversion and the erection of a roof extension to provide nine-self-contained flats together with the use of the ground floor and part first floor for employment (B1) or retail (A1) or financial and professional services (A2) which as subject to the completion of a legal agreement to effect car free development.

It has come to my attention that this permission is unlikely to be implemented and unless I hear from you to the contrary within the next 7 days, I shall withdraw this application.

Please let me know if you require any further assistance.

Yours sincerely

Scott Bailey
Planning Officer
for the Environment Director
