UNDER A TREE PRESERVATION ORDER**

Address:  
**The Elms

Description:  
**(TPO REF. C6-A2) DD - 1 x Robinia - Fell**

Thank you for your letter/telephone call of 27 September 2018 giving notice that the above tree(s) are considered dead/dying /dangerous and require emergency works.

The Council confirms that the remedial works as described above are exempt from the need for further notifications or any formal application to the Council and you are therefore allowed to proceed.

Informative(s):

- 1 You are advised that the appropriate standards for tree work are set out in BS 3998: 2010. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.
- 2 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is

the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 4911 or [www.naturalengland.org.uk](http://www.naturalengland.org.uk).

Conditions and Reasons:

- 1 Prior to end of March 2019, a *Liriodendron tulipera* (tulip tree) shall be planted as a heavy standard with a girth size of 12-14cms. The ground should be prepared to the standards set out in BS5236:1975. The tree should be suitably staked and tied. Should the replacement tree, within a period of 5 years after planting, die, be removed or become seriously damaged or diseased, it shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the local planning authority gives written consent to any variation.

Reason: In order to comply with the provisions of Section 206 of the Town and Country Planning Act 1990 (as amended).

If you have further queries please do not hesitate to contact the Tree Preservation Section on the telephone number above.

Yours faithfully

David Joyce
