The contractor is responsible to ensure that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, COSHH regulations, Construction Regulations, or which are known or suspected at the time of product selection to be defective or otherwise unsuitable for the intended use of the work or not in accordance with good building practice.

The contractor is responsible for checking dimensions, tolerances, levels and references. This drawing is to be read in conjunction with all relevant contracts or specifications drawings. Any drawings are the property of Baily Garner LLP and require their consent for use on site or shop drawings.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figured dimensions to be worked to in all cases.
