The contractor is responsible to ensure that no products are to be utilised that do not comply with relevant British and/or European Standards and/or Codes of Practice, CE54-H Regulations, Construction Regulations, or which are known or suspected at the time of product selection to be in accordance with good building practice.

The contractor is responsible for checking dimensions, tolerances, levels and references. This shall be done as a minimum on all work. Any discrepancy to be notified to Baily Garner LLP and rectified before proceeding with the works on site or shop drawings.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to.

Do not scale drawings. Figure dimensions to be worked to in all cases.
