Dear Laura

I hope my email finds you well

I am writing to you with regards to supporting the planning application for the new Haven London Base in Camden. As a dedicated Consultant Surgeon in Breast cancer care, I have had the opportunity to witness first hand the ground-breaking support the Haven provides to patients diagnosed with breast cancer. An all round patient-centred care is crucial to these patients during their journey and the Haven has played a pivotal role in this direction.

The Breast cancer care community would be more than grateful should this much needed development materialise.

Very Best  
Kind regards  
Petros Charalampoudis MD PhD FRCS FEBS  
Consultant Oncoplastic Breast Surgeon  
University College London Hospitals | Whittington Health
