2018/4428/P	Eccy de Jonge	24/10/2018 09:57:01	OBJ	I am concerned with excess noise this may cause to residents in Coram St. At present the Councils Environmental Department is ineffectual - it fails to deal with environmental noise and pollution from HGV lorries causing disturbance to residents or to breaches of licensing caused by the Holiday Inn. This is also the case with the councillor for the environment Adam Harrison who ignores residents concerns about noise and pollution. Therefore, should excess noise be caused by the 24 hour opening of the gym, which is more than likely there would be nobody to police, monitor or prevent this disturbance. Given that local residents in Coram St are regularly kept awake or woken up by noise from guests outside the Holiday Inn - breach of licensing from people using the forecourt, and from lorries uploading outside given times (at all hours of the morning) I see this as being an additional burden.
