2018/5059/P	Craig Duncan	30/10/2018 11:13:35	OBJEMAIL	<p>I realise we are all keen in the local area to see this building put back to use, however I am concerned about the terms used "onditions 12 (lifetime homes) and 15 (approved plans)" and "11 market (2 x studio; 1x1; 7x2 & 1x3 bed) and 1 intermediate (1x1 bed) residential units (Class C3)"</p> <p>With the homelessness situation encouraged by this government rising and incredibly noticeable in the immediate area outside and opposite this building, I fully expect Camden as a Labour Council to enforce the percentage of realistically affordable homes set out by London Mayor Sadiq Khan in a development like this. Is this just clever wording to get round this requirement or are the mauor's guidelines being adhered to in this case?</p> <p>I am requesting a written response on this?</p>
