Tenant

Dear Planning Permissions Camden Council,

I am writing to oppose all  
requests for Planning Permissions from  
the Squator at 20 Brocas Close, NW3.

Newspaper competition decades ago,  
I have not moved into the address  
because a large local gang of  
Squators has kept myself out.  
I have rented from Camden Council  
since the year 1986, because of  
this gang. I own lots of

nearby property in Bedsit  
Category of The Times Newspaper  
Competition,

I am a Times Competition Judge  
and also The Times Promotions  
Expert. In recent years I have been  
known as 'Darina Ann Betts' to  
the Times

I am a genuine individual  
and I am not, and have never,  
shared an identity with anyone.

Next year the Times McVities  
competition will announce the  
winners to the 2001-2005  
competition, and Emblems should  
go onto each unit of the close.  
It takes eighteen years for the  
Times to announce winners.  
Most residents of NW3 are squatters.

yours sincerely Professor FA  
Stuart
