The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed outbuilding by reason of its excessively large scale, would result in an overly dominant addition to the rear garden, harming the spatial quality of the rear garden and setting of the Grade II Listed Building and character and appearance of

the conservation area contrary to policies D1 (Design) and D2 (Heritage) of the London Borough of Camden Local Plan (2017), the London Plan (2016), and the National Planning Policy Framework (2018).

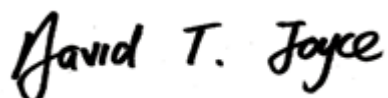

- 2 The proposed basement by reason of its scale would form an excessive and unsympathetic addition to the host property, contrary to policy A5 (Basements) of the London Borough of Camden Local Plan (2017).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2018.
