The contractor is responsible to ensure that its products are to be utilized that do not comply with relevant European Standards, without cause or practice, CEN/TC 184 requirements. Contractors are responsible for ensuring that they are up to date with the latest regulations and/or construction to be undertaken to health and safety or to the durability of the work to reflect in accordance with good building practices.

The contractor is responsible for checking dimensions, tolerances, levels and references. This drawing is to be read in conjunction with all relevant consultants or specialists drawings. Any discrepancy to be notified to Bally Garner LLP and rectified before proceeding with the works. Where an item is covered by drawings in different scales, the larger scale drawing is to be worked to. Do not scale drawings. Figured dimensions to be worked to in all cases.

This drawing and the copyrights and patents therein are the property of Bally Garner LLP and may not be used or reproduced without consent or attribution.
