Dear Sir/Madam,

115 – 119 Goldhurst Terrace

I confirm that Henry Murray, the Basement Design Engineer, and Gary Povey, the Second Independent Checking Engineer, both hold the relevant qualifications to carry out their respective roles in producing and reviewing the Basement Construction Plan for the above property.

Both Henry Murray and Gary Povey have extensive experience working in subterranean construction in London and within the London Borough of Camden, including single-storey residential basements similar to the proposed development at the above address..

Please find attached both engineers' Certificates of Membership confirming their status as Chartered Engineers with the Institution of Structural Engineers.

Yours sincerely

Henry Murray
