Dear Mr Young,

Great Hall Lincoln's Inn Fields London WC2A 3TL

Details of archaeology investigation in relation to condition 12(c) of planning permission (2015/4404/P) dated 01/06/2016 for development to provide education and training floorspace and associated alterations.

Recommend Archaeology Condition to be Satisfied

Thank you for your consultation dated 16 October 2018.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice in accordance with the National Planning Policy Framework and GLAAS Charter.

I have received an archaeological report provided in compliance with the archaeological investigation condition of the above planning permission.

Having considered the submitted document I recommend its approval. No further archaeological work is necessary and the archaeological condition under this application has been satisfied.

The results of the archaeological investigation will be published as a short note in the publication ‘Post-Medieval Archaeology’ and made available through the Greater London Historic Environment Record. The site archive will be deposited with the London Archaeological Archive and Research Centre.
