**See also Section b/2
(P/1:50/202/b/2)**

Natural grey weathered, vertical sawn oak fence on r/c posts & treated timber framework. Fence finished fair faced on both sides with oak coping over & built along the line of the existing, partially ruined brick garden wall & its foundations.

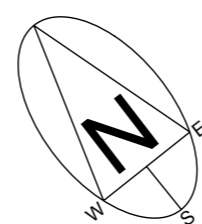

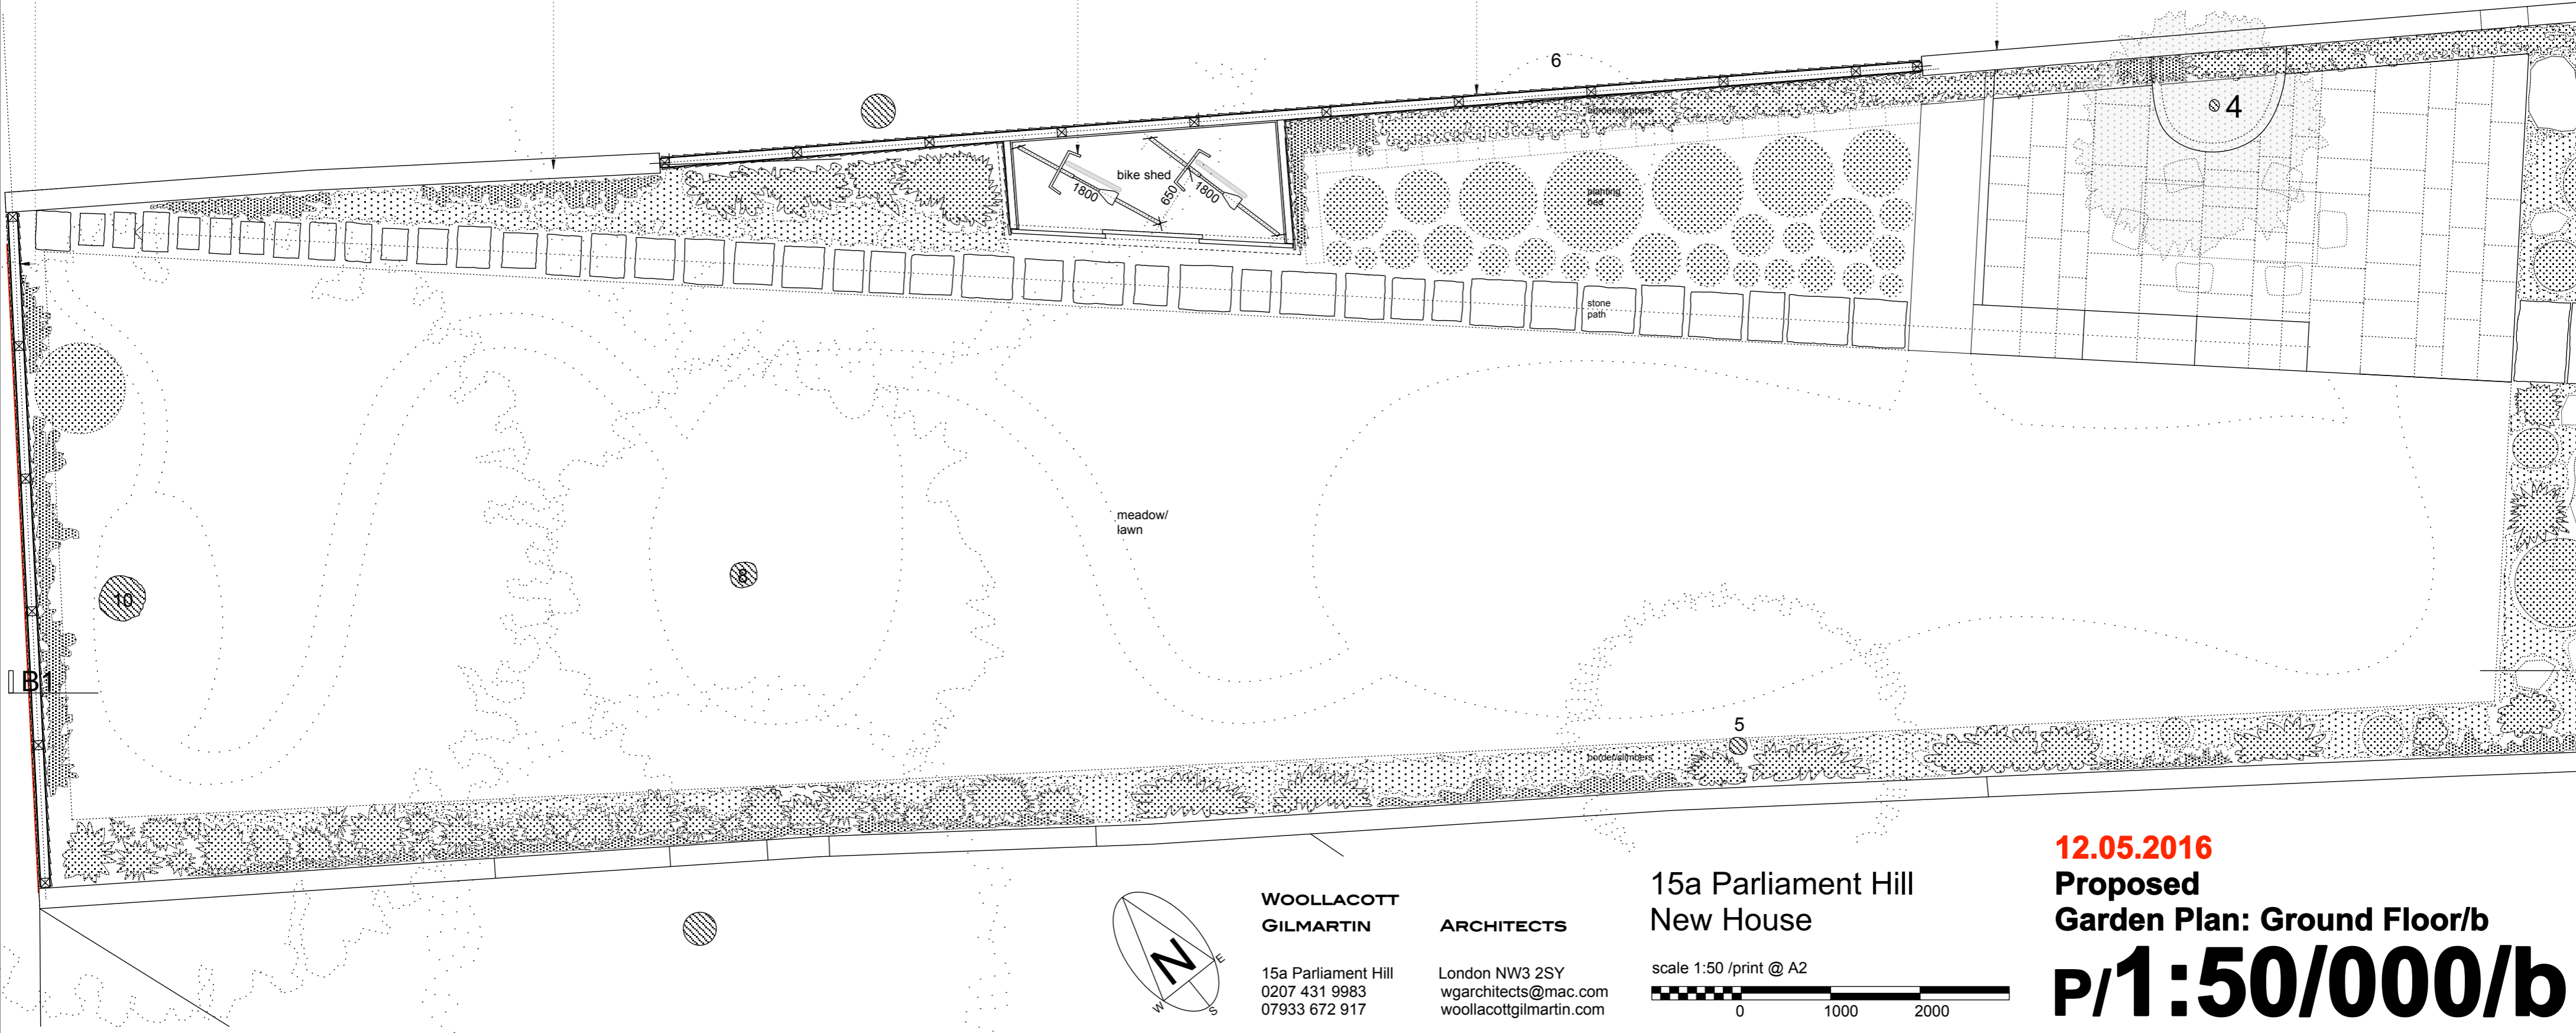

Existing red brick wall retained. Brickwork & coping made good & pointed.

Note: Existing trees retained unless otherwise noted. See tree report for details. All details of the tree protection plan to be followed.

Bike shed clad in weathered, sawn vertical oak boarding with natural grey, pre-weathered zinc roof. Storage for 2 no bicycles on sheffield stands

Natural grey weathered, vertical sawn oak fence on r/c posts & treated timber framework. Fence finished fair faced on both sides with oak coping over.

Existing red brick wall retained. Brickwork & coping made good & pointed.
