

FAO Matthias Gentet

Thank you for allowing me to comment on planning application 2018/4987/P which relates to the replacement and relocation of the entrance gates to Old Dairy Mews to 100mm from the facade of the existing building on Kentish Town Road.

I have no objections to this planning application.

I have also have no comments or recommendations to make as the removal of the recess is well less the than the minimum 600mm. The gate height and design is also adequate to prevent it from being climbed over.

If I can be of any further help to the applicant then I will be more than happy to assist.

Kind regards

Jim
