

## Section 1

### 01/04 Previous Applications

Previous applications on the site are notes as follows;  
1983 - Application granted for planning for the glass roof and new entrance door.  
1990 - Conservatory, glass box , granted at appeal.

### 01/05 Consultation

Consultations with Marie Stopes International and adjacent neighbours to 3 Bromley Place have taken place. The Rayne Foundation and Marie Stopes International are keen to compliment each other with sharing meeting space and developing a good neighbourly relationship.

### 01/06 Consultation with Local Residents

Consultations have also taken place with local residents in the vicinity of the 3 Bromley Place. All residents were invited to attend an open coffee morning in June, to celebrate the charity moving into their new premises on the townhouse side of the property.
