Dear Madam,

Town and Country Planning Act 1971
89 Camden Mews

I refer to your outstanding application for the renewal of planning permission for the development of the above site by the erection of two houses.

I confirm that I am now satisfied that the development was begun within five years of the grant of planning permission in that the northern flank wall (as opposed to boundary wall) has been built. In these circumstances it is no longer necessary for the original planning permission to be renewed and I therefore propose to treat your current planning application as having been withdrawn.

Yours faithfully,

for Director of Planning and Communications
