Hello Tony,

These 4 further applications aren't logged in our system, which means we haven't been consulted on them. However, I can confirm that the comments sent for the previous 3 applications apply to these additional 4.

Kind regards,

Dear Fatima

I sent an email yesterday and left a voicemail today for Gavin McLaughlin, but understand that he might be away from the office. He left your name as a contact and I wonder if you could help.

Camden received comments from Gavin objecting to x3 prior approval applications for telephone kiosks in Tottenham Court Rd (I attach an example response below which are the same for all x3). However, there are a further x4 in Tottenham Court Road that I haven't received responses for.

2018/0311/P – Land Adjacent to 39 Tottenham Court Road

2018/0312/P – Land Adjacent to 80-85 Tottenham Court Road

2018/0331/P – Land Adjacent to 145-149 Tottenham Court Road

2018/0333/P – Land Adjacent to 90 Tottenham Court Road

These applications need to be refused tomorrow and Friday, so I wondered whether it was possible to receive confirmation that the generic comments sent for the first x3 applications could also be used for the other x4 sites in Tottenham Court Road as the issues are the same. I would just need confirmation by email and I can then arrange this.

Please let me know if you are agreeable to this?

Kind regards

Tony
