Dear Mr McClue,

Re:- 2017/6638/CMP - 100 Avenue Rd. NW3 3HF  
Yesterday, I received your 2nd class letter  
concerning the above, & the relevant meeting  
to be held on 15/11/18, i.e. a week's notice.  
Unfortunately this is not the first time to  
have received such short notice.

Essential Living has consistently  
changed, amended or added to their  
original CMP. It now appears that the  
July version & the current one have been collated.

I am strongly requesting that the  
above meeting is put back in order to  
allow sufficient time for detailed  
study.

Yours Sincerely,

Ps. Please could relevant admin. staff be requested to use  
correctly addressed notepaper, i.e. not Judd St.
