What was the original application type?

FullPlanningPermission

For the purpose of calculating fees, which of the following best describes the original application type?

- Householder development: Development to an existing dwelling-house or development within its curtilage
- Other: anything not covered by the above category

## 6. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Removal of Condition 13.

Are you intending to substitute amended plans or drawings?

Yes  No

Please state why you wish to make this amendment

Condition 13 was attached to the planning permission in error. Subsequent correspondence between Gabriel Berry- Khan, Senior Sustainability Officer (Planning) and Georgia Zygmunt Air Quality Consultants dated 17th July 2018 has confirmed that the AQA confirms that the construction phase is assessed as Low Risk, not Medium Risk, and as such the baseline dust monitoring condition (13) be removed.

On this basis the removal of Condition 13 can be considered 'non-material' as it was attached in error and thus serves no planning purpose.

## 7. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes  No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

- The applicant
- Other person

- (c) related to a member of staff
- (d) related to an elected member

## 9. Authority Employee/Member

It is an important principle of decision-making that the process is open and transparent.

Yes  No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
