

London School of Hygiene & Tropical Medicine

15 – 17 Tavistock Place TP1

FEE PROPOSAL - Site inspections.

Scope of work;

- Regularly visit the site during construction to ensure compliance with the Civil & Structural Engineering design.
- Site visits will be on average weekly during the 28 week construction period for the Civil & Structural work.
- Site visits will be co-ordinated to be undertaken to enable inspection and the monitoring of critical elements of these works.
- After each site visit a brief report will be issued.
- Site inspections will be undertaken by a Chartered Structural Engineer.
- Should additional visits be required they will be charged at the hourly rates noted below.
- A copy of our standard terms & conditions are attached.
