|   |                                  |                   |  | _ |
| Is the site currently vacant?   | nit an appropriate contaminat    | © Yes             |  |   |
| Does the proposal involve any of the following? If Yes, you will need to sub  | пи ан арргорнате соптанинат      | ion assessment    | with your application.   |   |
| Land which is known to be contaminated  |                                  |                   | No     No |   |
| Land where contamination is suspected for all or part of the site   |                                  |                   | No     No  |   |
| A proposed use that would be particularly vulnerable to the presence of contamination   |                                  |                   | No   |   |
| 7. Materials  |                                  |                   |  | _ |
| Does the proposed development require any materials to be used in the build?  |                                  | Yes               | ○ No   |   |
| Please provide a description of existing and proposed materials and finishe   | s to be used in the build (inclu |                   |  |   |
| material):  | `                                |                   |  |   |
| Roof  |                                  |                   |  | ] |
| Description of existing materials and finishes (optional):  | N/A                              |                   |  | 1 |
| Description of proposed materials and finishes:   | See Drawings                     |                   |  |   |
| Are you supplying additional information on submitted plans, drawings or a design   | n and access statement?          | ℚ Yes             | ⊚ No   |   |
| 8. Pedestrian and Vehicle Access, Roads and Rights of Way   |                                  |                   |  | _ |
| Is a new or altered vehicular access proposed to or from the public highway?  |                                  |                   | No     No  |   |
| Is a new or altered pedestrian access proposed to or from the public highway?   |                                  |                   | No   |   |
| Are there any new public roads to be provided within the site?  |                                  |                   | No     No  |   |
| Are there any new public rights of way to be provided within or adjacent to the site?   |                                  |                   | No     No  |   |
| Do the proposals require any diversions/extinguishments and/or creation of rights of way?   |                                  |                   | No   |   |
|   |                                  |                   |  | _ |
| 9. Vehicle Parking  |                                  |                   |  |   |
| Is vehicle parking relevant to this proposal?   |                                  |                   | No   |   |
|   |                                  |                   |  | _ |
| 10. Trees and Hedges  |                                  |                   |  |   |
| Are there trees or hedges on the proposed development site?   |                                  |                   | No     No |   |
| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the levelopment or might be important as part of the local landscape character?  |                                  |                   | No   |   |
| If Yes to either or both of the above, you may need to provide a full tree survequired, this and the accompanying plan should be submitted alongside you website what the survey should contain, in accordance with the current 'BS's Recommendations'. | our application. Your local plan | nning authority s | should make clear on its   |   |
|   |                                  |                   |  |   |

| 11. Assessment of Flood Risk   |         |                         |
|--|---------|-------------------------|
| Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.)  | Yes     | No                      |
| If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site.   |         |                         |
| Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?   |         | ⊚ No                    |
| Will the proposal increase the flood risk elsewhere?   |         | <ul><li>No</li></ul>    |
| How will surface water be disposed of?   |         |                         |
| Sustainable drainage system  |         |                         |
| Existing water course  |         |                         |
| Soakaway   |         |                         |
| ✓ Main sewer   |         |                         |
| ☐ Pond/lake  |         |                         |
|  |         |                         |
| 12. Biodiversity and Geological Conservation   |         |                         |
| To assist in answering the following questions refer to the guidance notes for further information on when there is important biodiversity or geological conservation features may be present or nearby and whether they are likely to Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely of application site, or on land adjacent to or near the application site? | be affe | cted by your proposals. |
| a) Protected and priority species (see guidance note):   |         |                         |
| <ul><li>Yes, on the development site</li><li>Yes, on land adjacent to or near the proposed development</li></ul>   |         |                         |
| No     No  |         |                         |
| b) Designated sites, important habitats or other biodiversity features (see guidance note):  |         |                         |
| ⊋ Yes, on the development site   |         |                         |
| <ul><li>Yes, on land adjacent to or near the proposed development</li><li>No</li></ul>   |         |                         |
| c) Features of geological conservation importance (see guidance note):   |         |                         |
| <ul><li>Yes, on the development site</li><li>Yes, on land adjacent to or near the proposed development</li></ul>   |         |                         |
| No   |         |                         |
|  |         |                         |
| 13. Foul Sewage  |         |                         |
| Please state how foul sewage is to be disposed of:   |         |                         |
| Mains Sewer Septic Tank  |         |                         |
| Package Treatment plant  |         |                         |
| Cess Pit Other   |         |                         |
| Unknown  |         |                         |
| Are you proposing to connect to the existing drainage system?  | ☑ Yes   | No                      |
| 14. Waste Storage and Collection   |         |                         |
| Do the plans incorporate areas to store and aid the collection of waste?   |         | <ul><li>No</li></ul>    |
| Have arrangements been made for the separate storage and collection of recyclable waste?   |         | <ul><li>No</li></ul>    |
|  |         |                         |

| 15. Trade Effluent   |            |  |
|--|------------|--|
| Does the proposal involve the need to dispose of trade effluents or trade waste?   | © Yes      | ⊚ No   |
|  |            |  |
| 16. Residential/Dwelling Units Due to changes in the information requirements for this question that are not currently available on the system, in Residential/Dwelling Units for your application please follow these steps:                | f you nee  | ed to supply details of  |
| 1. Answer 'No' to the question below;<br>2. Download and complete this supplementary information template (PDF);<br>3. Upload it as a supporting document on this application, using the 'Supplementary information template' docur          | ment tyne  |  |
| This will provide the local authority with the required information to validate and determine your application.  | пент турс  | <del>.</del>   |
| Does your proposal include the gain, loss or change of use of residential units?   | ☐ Yes      | ⊚ No   |
| 17. All Types of Development: Non-Residential Floorspace   |            |  |
| Does your proposal involve the loss, gain or change of use of non-residential floorspace?  | □ Yes      | No     No |
| 18. Employment   |            |  |
| Will the proposed development require the employment of any staff?   | □ Yes      | ● No   |
| 19. Hours of Opening   |            |  |
| Are Hours of Opening relevant to this proposal?  | © Yes      | No   |
|  |            |  |
| 20. Industrial or Commercial Processes and Machinery Please describe the activities and processes which would be carried out on the site and the end products including plant, include the type of machinery which may be installed on site: | ventilatic | on or air conditioning. Please   |
| N/A  |            |  |
| Is the proposal for a waste management development?  | © Yes      | No   |
| If this is a landfill application you will need to provide further information before your application can be determine should make it clear what information it requires on its website   | ned. You   | r waste planning authority   |
| 21. Hazardous Substances   |            |  |
| Is any hazardous waste involved in the proposal?   | □ Yes      | ⊚ No   |
| 22. Site Visit   |            |  |
| Can the site be seen from a public road, public footpath, bridleway or other public land?  |            | No   |
| If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select The agent  The applicant  Other person  | t only one | a)   |
| 23. Pre-application Advice   |            |  |
| Has assistance or prior advice been sought from the local authority about this application?  | Yes        | ○ No   |
| If Yes, please complete the following information about the advice you were given (this will help the authority to efficiently):   |            |  |
| Officer name:  |            |  |
