Subject: application 2018/1890/P

[REDACTED] I have reviewed the updated plans, and I again, object to the development totally on the following grounds

/are:

The new lift will be beside my bedroom wall totally unacceptable perfectly good lift already in situ and my good peace and enjoyment will not be disrupted and it appears it will disturb my sleep. Integrated loudspeaker instructions would exacerbate the problem. Unless this issue can be addressed, I strongly oppose the development. I don't understand why the existing lift can't be extended to the new roof floor its possible I sure .

I am not yet clear on what the effect on my property value will be and my peace of enjoyment of my home will be totally effected, this would be troubling to me and I would oppose the development also due to the noise from the proposed air conditioning unit noise and the effect and this is a parasite development and I object.
