**To:** Little, Tom [REDACTED]  
**Subject:** Fw: Application number: 2018/5471/T

**59 Hillway London N6 6AD**

FRONT GARDEN: 3 x Italian Cypress (TG2) - Fell to ground level  
Application number: 2018/5471/T  
Application type: Notification of Intended Works to Tree(s) in a Conservation Area

Italian Cypress (TG3) - Fell the closest 3 x trees to 59 Hillway  
The tree works are proposed to stop the influence of the tree(s) on the soil below building foundation level and provide long term stability.

**Object**

This group of trees make an interesting addition to the streetscape at a point where the verdant nature of the road has been drastically depleted by hardsurfacing the front garden of the applicants property. Indeed has the applicant investigated the possibility of their own hardsurfacing affecting the soil below the building foundation level?

**Highgate Neighbourhood Plan:**

**Policy OS2: Protection of Trees and Mature Vegetation**

- 1. Within the conservation areas or when protected by a TPO, specimen, veteran and mature trees and mature vegetation, which have townscape, ecological or amenity value should be retained where possible.*

The Holly Lodge Residents Association should be consulted.
