2018/3935/P	Neil Seagers	06/11/2018 17:11:17	COMMNT	<p>I live behind this location. I have noted the application and also note that the details refer to the front of the premises which are of less concern to me.</p> <p>What is concerning is the change of use of use of these premises. A dry cleaning operation is very different from the previous occupancy.</p> <p>I would wish to be assured that the relevant approvals for such change of use which would particularly relate to storage of specialist chemicals and the related fume emissions are in accordance with the regulations required by Camden Council.</p>
