2018/4949/P	Denise Funke	18/11/2018 15:35:44	OBJ	<p>Prior to this notification none of the shareholders of Sunny Lodge have been called in for a preview of these plans.</p> <p>Since the plans will cause structural changes to the building, all shareholders must be consulted and asked for agreement.</p> <p>My question is how the Camden Council can provide permission if the shareholders have not given consent to these plans.</p> <p>Since this is not being handled in correct procedure I would like to discuss the impact of the plans on the entire building.</p>
