2018/4970P	Lindsay Alker	09/11/2018 14:52:06	OBJ	We own a flat in the Ziggurat on the [REDACTED] looking into the lightwell we already suffer from lack of light and this will impact us even more so : another floor will block any oblique light completely to all the flats in the Ziggurat adjacent to the building, our building is residential and we have a history of noise issues with this buildings occupants which will increase with more occupants . Its causing our family a huge amount of stress as its been ongoing for many years now . They have no regard for residents and ignore the agreements which limit the activities and hours they can access and use the lightwell thus blighting our enjoyment of our property
