2018/5549/P	Azeem Ahmad	14/11/2018 13:50:57	OBJ	I object to this application as a resident who walks home along Tottenham Court Road. That section of pavement gets very busy as people come out of Percy St after eating out in charlotte St and also to take money from the cash points. Any additional furniture there will have an adverse effect on pedestrian traffic with hardly any benefit. I am also concerned that a phone box will attract unwanted attention especially near the cash points.
