2018/5580/P	Paul Braithwaite	20/11/2018 07:30:56	OBJ	This is just a flagrant advertising device, with minimal actual community benefit. There is no demand for public telephony - seek evidence of ACTUAL usage of such devices elsewhere. It is clutter on the busy pavement outside Tesco. The real target audience is vehicle-born passengers for advertising. Camden MUST make a stand against such cynical exploitation.
