2018/5560/P	Eric Stuart	20/11/2018 17:05:53	OBJ	<p>I strongly object to the installation of a public call box at this location.</p> <p>The proposed public call box would add to street clutter and presents a safety hazard as it obstructs the flow of pedestrian traffic in an area of high pedestrian and vehicle traffic density.</p> <p>There is no need for public call boxes in this location – existing public call boxes nearby are only used as a shield for drugdealing/using and other anti-social behaviours, and are never used for their intended purpose as virtually all UK residents and tourists carry mobile phones.</p>
2018/5560/P	Jeff Claxton	20/11/2018 16:29:38	OBJNOT	<p>Hello,</p> <p>I wish to object to this application to install a phone box.</p> <p>I do not believe that it provides any public benefit as there are enough existing phone boxes for the very small number of people who need to use a telephone on the move but do not have a mobile phone.</p> <p>I also believe that this will constitute a threat to public safety and an obstruction to free movement of people on the already crowded pavements. Phone boxes seem merely to serve as a place for pimps to place cards advertising prostitutes which merely results in litter on the pavement when one card poster removes one set of cards to replace them with another. I have witnessed some very unpleasant behaviour when the two parties argue. They provide a place for a variety of items to be stowed. They are often used as urinals by men who are caught short.</p> <p>This application seems merely an attempt to get advertising space on the street without admitting as much. For these reasons, I would ask that this is rejected.</p> <p>Thank you</p>
