2018/4525/P	Sue Charterid	21/11/2018 22:39:29	COMBINT	As other residents [REDACTED] have stated, I have no objections to the planning application per se. However considerable care needs to be taken to the construction and finish of this Listed building and its impact on ours, both at the front and back. I am concerned to ensure that both buildings can withstand the impact of the work without damage
