5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The scheme involves constructing a two-pass ramp to provide disabled access into St Pancras Gardens off Camley Street. The ramp will be located adjacent

to the existing stepped entrance. Construction will involve partial removal of the front concrete boundary wall to St Pancras Gardens on Camley Street. The outer walls of the ramp will be constructed of reinforced concrete with brickwork cladding to match as close as possible the existing brickwork walls on site. Black railings to current standards will be fixed to the top of the ramp up-stands.

The running surface of the ramp will be dimpled black mastic asphalt.

The first pass providing access from Camley Street will be 8.5m long up to the first landing. The second pass, which also includes an intermediate landing will be approximately 16.5m. The clear width of the ramp will be 2.5m

Has the work or change of use already started?

🔾 Yes 🛛 💿 No

6. Existing Use

Please describe the current use of the site

| There is currently a public planter to the public highway side of the wall on Camley Street. The area within the cemetery where the second ramp pass is to be located is a grass verge. Trial holes undertaken did not identify any articulated human remains. | | | |
