Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Advertisement Consent Granted

Address:
182 High Holborn & 1 Smart's Place
London
WC1V 7AP

Proposal:
Display of 3 x internally illuminated street and numbering signs at fascia level to High Holborn elevation.
Drawing Nos: HH-E-00-OS-01-01 P1; SK 124 revP1; S-23 revB.

The Council has considered your application and decided to grant consent subject to the following condition(s):

Conditions and Reasons:

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 2 No advertisement shall be sited or displayed so as to
 - (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or

(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 3 Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 4 Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

- 1 Reason for granting permission:

The proposed internally illuminated fascia signs are considered to be acceptable in terms of size, design, location and method of illumination and would preserve the appearance and character of the host building, the adjacent Bloomsbury Conservation Area and the streetscape. They will be intergrated into the actual design of the building and are to reflect the street naming and numbering on the east elevation of the site address (Smart's Place) that is currently undergoing construction works following approval of planning permission granted on 22/03/2017 (reference: 2016/5141/P).

Three sets of identification numbers are also be to added on both sides of entrances located on Smart's Place and High Holborn. These, however, benefit from deemed consent under Class 2A of The Town and Country Planning (Advertisements)(England) Regulations 2007, and are therefore not forming part of this decision.

The proposal will not impact on the neighbours' amenity nor would it be harmful to either pedestrian or vehicular safety.

The site's planning and appeal history has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policy D4 of the Camden Local Plan 2017. The proposed development also accords with policies of the Draft London Plan 2017 (As Applicable); and the National Planning Policy Framework 2018.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2018.
