Dear Matthew,

Many thanks for forwarding this application to me. As a backstop, I receive all of the Camden alerts for the area so I was aware of the proposal.

The Forum has no objections.

Janine

Subject: Planning consultation - 2018/4107/P at 30 Denning Road, London. NW3 1SU

Dear Hampstead Neighbourhood forum,

I am writing to alert you to a planning application I am dealing with within 'your patch'.

Firstly; please accept my apologies as I neglected to consult you at the time of registration. Please note, I have now just sent the formal consultation request.

Ref: **2018/4107/P** at 30 Denning Road, London. NW3 1SU.

For: "Installation of doubled glazed timber framed sash windows to match existing configuration."

I would like to inform you I have made a recommendation to approve this application and was asking for a senior colleague to sign this off under delegated powers. They have alerted me to my oversight in not consulting you, and so; I am writing to see if you would be able to give any comment you may have asap.

I do not believe the application is contentious, but would like to ensure your views are included should you wish to comment.

Apologies for the late e-mail. I would be grateful for any response you may have. This issue is my fault and not that of the applicant.

Should you wish to discuss this at all, please contact me? Thank you.

Kind regards,

Matthew
