

Hope I am sending this email to the right Department, or that it will be forwarded to it's proper section. I have tried to send it using the email address (copied direct fro your Form). :-

<http://planningrecords.camden.gov.uk/Northgate/PlanningExplorer17/PLComments.aspx?pk=485398> , but it is returned to me as invalid. I have included it here in the hope that it might help.

I trust the information below set out as on your Planning Applications which asks for comments (directly copied) from your form is OK.

Comment on a Planning Application

Please enter your comments on this planning application using the fields below.

If you wish to be notified of the committee date, please clearly state in your comment.

Hi, My comments are as follows : My Wife ([REDACTED]) and I ([REDACTED]) are the joint owners of [REDACTED], St Matthews Lodge.

As owners / occupiers we are very keen for this Project to go ahead. We think the Project is a very good idea, as in this time of ever increasing demand for property in general and particularly in Central London, it will provide 5 additional flats, which will be virtually hidden from view, on top of our building , and will not increase it's footprint. Also, we look forward to the resulting very beneficial improvements and upgrades to the Block, and, the fact that there will be no additional parking.

Further, our [REDACTED] daughters who stay in and use the flat regularly also fully support the Project.

Their names and addresses are :

My name and addresses are [REDACTED]

My emails : [REDACTED]

Phone : [REDACTED]

I should be grateful to receive acknowledgement that this email is being processed, if possible.

Many thanks,

Regards,

[REDACTED]
