Dear Ms Hazleton,

**Re: 17 Charterhouse Street, London, EC1N 6RA**

**Submission of details reserved by planning condition**

On behalf of our clients, Anglo American and De Beers (AA & DB) please find enclosed details pursuant to condition 2 (materials) of planning permission 2017/4586/P, approved on 24 January 2018.

Planning permission was granted for the following works:

*Extensions and refurbishment of the existing part seven, part five storey (plus basement) building including erection of a single storey roof extension to Saffron Hill block, part two-storey and part five-storey extensions within central courtyard, part removal of the existing façade and part replacement with new glazed, metal and stonework façade to Charterhouse Street. Access alterations including redesign of existing pedestrian entrance and relocation of vehicular entrance on Charterhouse Street. Remodelling and replacement of existing plant and equipment. Provision of cycle parking spaces, and associated landscaping works.*

Condition 2 states:

*Before the relevant part of the work is begun, detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority:*

*a) Details drawings (plans at 1:20, elevations at 1:20, and sections at 1:10) of all windows, glazing, fritting, mullions, transoms, spandrel panels, column treatment, frame treatment, the plinth treatment, ventilation grills, plant screen, external doors and gates;*

*b) Detailed drawings of all balustrades;*

*c) Manufacturer's specification details of all facing materials and detailed drawings showing junctions (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site).*

**Associates**  
Sally Arnold | Rob Scadding | Alan Williams | David Williams

*The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.*

The enclosed document, produced by MCM, sets out details of the scheme that are available at the current time. It is requested that the condition is discharged in part, based on the material enclosed.

In respect of part (a) full detailed drawings are included, with the exception of the following architectural features: ventilation grills, plant screen, and external doors and gates. These details will be submitted to the Council when they are available.

In respect of part (b), balustrade details will be submitted to the Council when they are available.

In respect of part (c) manufacturer's specification details are provided of facing materials, to accompany sample materials that Officers have already reviewed and stated their support in principle for. These materials will remain on site, available for viewing. Detailed technical drawings of junctions are provided within the MCM brochure.

The application fee of £116 has been paid via the Planning Portal. We trust that the enclosed brochure, coupled with the materials that will be retained on site, is sufficient for the application to be validated. We look forward to discussing with you further.

Yours sincerely,
