*To Whom It May Concern re: Unlawful Trespass of Land adjacent to Spencer House
Vale of Health London NW3 1AU*

Dear Sir or Madam,

Robbie Andrew Litvov lived with me and my wife in 2001 [REDACTED] until he moved out to live in a little caravan on the Old Fairground Site. In late 2004 he was given the opportunity to oversee a vacant land in The Vale of Health, which he accepted. He then subsequently took a position as security and maintenance worker for a Mr Frishman, and started to live on The South Fairground Site in a caravan, then maintenance hut, which I and my wife have been visiting on many occasions since early 2005.

He has insistently remained there, determined to provide a constant security, maintenance and upkeep of the, to him entrusted land.

I shall be glad to provide additional detail if necessary. I am by profession a self-employed gardener, and have lived since 1996 at the above address. I am prepared to give further details if needed.

Respectfully Yours,

Kuno Frei
