*To Whom It May Concern re: Unlawful Trespass of Land adjacent to Spencer House Vale Of Health  
London NW3 1AS*

I am a personal friend of Robi Litvoi and have known him living at the Vale of Health since August 2007. I have visited the property many times to play music with Robi. I understand that he has been asked by the owners of the land to maintain it and keep it free from vermin in return for the right to stay on it.

I have seen the land has been kept in good condition and that Robi has maintained a respectful attitude towards his neighbours.

I believe that the facts stated in this witness statement are true.
