Re: Unlawful Trespass of Land adjacent to Spencer House Vale of Health London NW3 1AS

To whom it may concern:

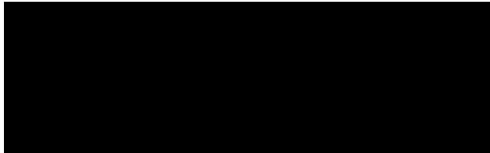

I am a close friend of Mr Robi Litvoi. I have known him since October 2010 and he has continuously inhabited the land next to Spencer House in the Vale of Health during that time. My understanding is that this has always been with the consent of the Owners' representative, with whom an agreement had been made to provide maintenance and supervision over the property in return for staying on it.

Mr Litvoi has never sought to conceal his occupation of the property from the local community, towards whom he has always behaved in a respectful and considerate manner.

I am a shipbroker by profession, employed at Embiricos Shipbrokers Ltd, 100 New Oxford Street WC1A 1HB, [REDACTED] since August 2009. Please do not hesitate to contact me if any further information is required.

I believe that the facts stated in this witness statement are true.

Yours Sincerely,

Constantine Stamatopoulos B.A.(Cantab.), MICS
